

Treasurer

JOANN BARRY

I moved to Pacific Palisades in 2010 and felt at home immediately. This community has the same charms as the Midwestern town in which I was raised, where neighbors become friends and evolve into a broad support system. I want to join the committed volunteers working to ensure thoughtful advocacy for issues that matter to us all.

In running for Treasurer, I offer 25 years of investment management experience. I hold BA & MBA degrees, and am a CFA. I am currently an equity market specialist at Bloomberg-LP. I pledge diligence and prudence in all financial matters relating to PPCC. I also promise to listen, learn and consider all sides of issues before the Council.
