

Treasurer

RICHARD COHEN

As a licensed California CPA since 1979 and former CFO/Treasurer of a \$2 billion not-for-profit I am highly qualified for the position.

During the past four years as PPCC treasurer I have accomplished a great deal. I have been responsible for compliance with tax and regulatory laws and managed our insurance program. I managed the financial aspects of the holiday gala each year as well as the tracking of RSVPs. I served on the LAPD CPAB for 10 years and successfully advocated for guaranteeing LAPD resources for the Palisades. I am Senior Vice-President and portfolio manager at Morgan Stanley.
