**Re: CF-09-2645 – SUPPORT (with requested addition): Revised Draft Above Ground Facilities (AGF) Ordinance**

Honorable Councilmembers:

Pacific Palisades Community Council (PPCC) has been the voice of the community for more than forty years. At its regularly scheduled meeting on January 28, 2016, the PPCC Board unanimously passed the following motion relative to the above-referenced Council File:

“That PPCC support the AGF Ordinance revised as of December 8, 2015, but with a request that "Community Councils" be included among the organizations entitled to receive notice under LAMC Sections 62.08.VII.D.1(e) and 2(e).”

Since 2010, PPCC has called for and strongly supports necessary revision of the AGF Ordinance. We urge the Council PWGR and PLUM Committees to take this matter up at the earliest opportunity and to approve the draft AGF Ordinance revised by the City Attorney as of December 8, 2015, with the addition of “Community Councils” among the organizations entitled to receive notice under LAMC Sections 62.08.VII.D.1(e) and 2(e).

Thank you.

Sincerely,

Christina Spitz, President  
Pacific Palisades Community Council
