Citizen of the Year and Golden Sparkplugs Nominations

(Pacific Palisades, CA – September 28, 2017) Pacific Palisades Community Council (PPCC) is pleased to announce that nominations are now being accepted from the community for the 2017 Citizen of the Year and Golden Sparkplug Awards, to be presented at the PPCC annual holiday party on December 14, 2017, at Gladstone's Restaurant (event details to follow). Nominations should be submitted to info@pacpalicc.org (email preferred) or to P.O. Box 1131, Pacific Palisades, CA 90272. The deadline for receipt of nominations is midnight on October 28, 2017.

The **Citizen of the Year Award** honors long term, steady, reliable and continuing outstanding volunteer service as well as a recent extraordinary accomplishment by an individual that resulted in a substantial benefit to the Palisades community at large. The recipient must be an adult resident of the Palisades at the time the accomplishment and long term services were rendered.

The **Golden Sparkplug Award** honors those citizens who ignite original ideas and projects into community action that benefit Palisadians throughout the community. The project must have been initiated, in progress or completed during the current or prior calendar year. Adults and youth are both eligible, and must either own real property in, reside in or operate a business in the Palisades at the time the services were rendered.

In the case of both Awards, the services, accomplishment or project must have been voluntary and not related to the nominee's business or occupation. Neither Award can be given to PPCC board members based on services directly related to their responsibilities as board members, although such services may be considered as a qualifying factor in the case of nominees for the Citizen Award. The Award recipients are based on the quality of work and benefits achieved, not the quantity of nominations.
