Pacific Palisades Community Council Now Taking Applications For Area and At-large Alternate Representative Positions

(Pacific Palisades, CA)–The Pacific Palisades Community Council is pleased to announce the opportunity for residents and other eligible persons to apply to become an Area or At-large alternate representative in 2018-2020.

There are eight primary Area representatives and one At-large representative on the PPCC Board of Directors. The primary representatives are elected by the community, while the alternate representatives must apply and are elected by the Board. Up to two alternate representatives (1st and 2nd alternates) will be chosen for each seat. The alternates as well as the primary representatives serve a two-year term, beginning in October 2018. Alternate representatives are encouraged to attend meetings and to participate in the discussion of issues, but do not vote unless the primary is absent.

Applicants for alternate Area representative must live within the specified boundaries of the area for which they are applying; the areas are detailed on the PPCC website, pacpalicc.org ([Area Maps tab](#)). Applicants for alternate At-large representative must either live, own property or run a business within Pacific Palisades.

All interested parties must submit a Statement of any length indicating which position they are applying for (Area or At-large, 1st or 2nd alternate, or both; and you may apply for both Area and At-large alternate positions). The Statement of each Area alternate applicant shall include the number of years residing in Pacific Palisades, the number of years as a resident of the Area and the number of years at the current address and that address. The Statement of each At-large alternate applicant shall include the number of years residing in Pacific Palisades or running a business or owning property in Pacific Palisades and the applicant's current residence, business or property address. All applicants' Statements shall include the position on issues the applicant believes are of importance to the community or the applicant's Area. The Statement may also include a few biographical facts including any skills that the applicant would bring to PPCC.

Applications for all alternate positions (Area or At-large) must be received by 9pm on Sunday, **September 30, 2018**.
