

ELECTION COMMITTEE STATEMENT

August 17, 2018

The Election Committee of the Pacific Palisades Community Council (PPCC) strongly objects to any campaign behavior that involves duplicity or disparages others. PPCC's Code of Conduct applies to all candidates and board members, and requires all debate and communications to be honest and respectful. We require all candidates and expect their supporters and others to behave accordingly. We urge all community members to show respect to those who seek to volunteer their service to the community.

The PPCC election continues with online voting until August 30 at 9:00 p.m. Please vote at www.pacpalicc.org for your Area Representative and the At-large Representative.
