

COMMUNITY MEETING

Monday, November 18, 2019

7:00 – 8:30 PM

Pacific Palisades Library | 861 Alma Real Drive, Pacific Palisades

Success Stories: From the Street to Home

107 homeless individuals have been transitioned off the streets in Pacific Palisades thanks to the work of the People Concern Outreach Team and support from our community. At our next meeting, we'll get to meet and hear from the people behind the success:

- The team from the People Concern who will describe the process for outreach, assessment and housing
- A landlord who accepts housing vouchers and fulfills a critical role in the process
- Two newly housed clients who are proof the process works

Attending our community meetings is encouraged and needed. It is a way to be involved, provide support to the growing PPTFH community-wide program and help address homelessness in the Palisades. Come and participate!
