Dear Nick:

In light of the minimal changes to the applicant's submitted plans, Pacific Palisades Community Council (PPCC) reiterates its position on the above-referenced application as expressed in its letter of August 25, 2019: [PPCC 8/25/19 Position Letter](#).

Please bring this message and our 8/25/19 Position Letter to the attention of the hearing officer.

Thank you for your consideration and assistance.

Best regards,
