Re: County Draft Redistricting Plans – SUPPORT Draft Plan D-1 as 1st choice and Draft Plan A-1 as 2nd choice; do not support any other Draft Plans for County Supervisorial District 3.

Dear Commissioners:

Pacific Palisades Community Council (PPCC) for 48 years has been the most broad-based community organization and voice of Pacific Palisades – a community with a population of about 25,000 residents located between the Santa Monica Mountains and the ocean in the City of Los Angeles.

The City of Santa Monica is to our immediate south/east along the coast; the City of Malibu and unincorporated community of Topanga Canyon are to our immediate north/west. The community of Brentwood in Los Angeles is to our immediate east. Pacific Palisades is also situated entirely within the Very High Fire Hazard Severity Zone (VHFHSZ), as is most if not all of Malibu and Topanga Canyon and most of Brentwood. All of these communities are located, as is Pacific Palisades, within the boundaries of current County Supervisorial District (CSD) 3.

We support Draft Plan D-1 as our 1st choice as it most resembles the configuration of current CSD 3 and includes communities with which we share common interests and concerns. We support Draft Plan A-1 as our 2nd choice as it includes other beach cities with which we share coastal concerns; we do not support any other Draft Plans.

We respectfully call your attention to the “Community of Interest Statement” which PPCC submitted in August 2021 on behalf of the community in connection with the City of Los Angeles redistricting process: <http://pacpalicc.org/wp-content/uploads/2021/08/PPCC-Community-Interest-Statement-8-12-21.pdf>.

For these reasons, we respectfully urge the Los Angeles County Citizens Redistricting Commission to adopt Draft Plan D-1 which most closely resembles the configuration of current CSD 3.

Thank you for your anticipated courtesy and cooperation.

Sincerely,

Executive Committee, Pacific Palisades Community Council

David Kaplan, Vice-Chair
