

## Pacific Palisades Community Council

### NOTICE OF PPCC ELECTION - 2018

*Applications for Area and At-large Representative Positions Now Welcome*

(Pacific Palisades, CA) – Pacific Palisades Community Council (PPCC) is pleased to announce that the candidate application process is now open for community members interested in serving as Area Representatives or At-large Representative.

There are eight positions for which Palisadians can run for Area Representatives (one from each area/neighborhood of the Palisades delineated by the [PPCC Map](#) on our website) and one position for At-large Representative. Elected Reps will serve a two-year term on the PPCC Board of Directors.

The Palisades is divided into eight neighborhoods in which the Area Representative is responsible for serving. The Area Representative must reside within the specified area boundaries as detailed on the PPCC website at [www.pacpalicc.org](http://www.pacpalicc.org). The At-large Representative serves the entire community and must live, own property or run a business within Pacific Palisades.

Area and At-large Representatives will be the voice of their constituents, bring issues to the PPCC, learn first-hand about policy and land-use topics affecting the Palisades and vote on matters of community-wide interest.

All interested parties must submit a candidate's statement with a current photograph (digital format). These will be included in election materials to be publicly distributed.

The statement shall not exceed 100 words and must include the number of years as a resident of the Palisades, the number of years residing in the area in which the candidate is seeking election, as well as the number of years at the current principal residence and the address (Area Representatives). At-large Representative candidates running as business or real estate stakeholders in the community must provide the current business address or address of real property owned in the Palisades. In addition, the statement shall include a position statement on issues the candidate believes are important to the community and/or to the candidate's area. Once elected, Representatives must immediately inform the Chair of a change in principal residence.

Statements must be submitted prior to or at the PPCC meeting held in the Pacific Palisades branch library community room on July 26, 2018 at 7 pm.
