Re: Proposed Bookstore Within the Palisades Branch Library

Dear Councilmember Bonin:

As you know, Pacific Palisades Community Council (PPCC) is the most broad-based community organization and has been the voice of the Palisades since 1973. At its regularly scheduled public board meeting on March 9, 2017, following presentations and discussion, the PPCC board unanimously passed the following motion in support of the bookstore:

“PPCC supports the creation of a new bookstore within the Palisades Library. We find the proposed bookstore to be a positive addition to the Palisades and understand that the proceeds from sales will continue to support library programs and supplement the purchase of books and materials for the Palisades Branch Library.”

Thank you for your time and consideration.

Sincerely,

Maryam Zar
Chair, Pacific Palisades Community Council
