³*Source:* bylaws (available online at the respective websites) of all 13 members of the Westside Regional Alliance of Councils (WRAC); WRAC members are listed in Section D below. This summary reflects the author's individual reading and understanding of WRAC members' bylaws and is intended to be a discussion guide only, not a definitive statement; the respective bylaws themselves should be consulted for complete and accurate details/numbers and applicable rules/requirements.

⁴In 5 cases there is no requirement that officers be board members (Bel Air-Beverly Crest, South Robertson, Westchester-Playa del Rey, Westwood CC & NC); in 4 cases officers must also be current or active board members, whether elected by stakeholders, appointed by organizations or selected by the board (Brentwood, Mar Vista, West LA, Westside); PPCC requires only the President to be either a past or present board member.

⁵WRAC members use various terms to refer to voting board members (*e.g.*, "directors," "members," "representatives," "voting stakeholders," "community officers"); for uniformity the term "representative" is used herein to refer to all voting board members other than officers. WRAC voting members are composed of many representative categories that differ with each NC/CC; examples include residential zones, HOAs, schools, faith-based institutions, large and small businesses, students, non-profits, service groups, seniors, at large, etc. In 3 cases there are no "organizational" representatives, only "area," "zone," "community" or at large representatives (Del Rey, Mar Vista, Venice).

Del Rey NC: 8 representatives (geographic area) elected by public/stakeholders.

Mar Vista CC (a certified NC): 7 representatives (geographic zones, “community” and at large) elected by public/stakeholders.
