

PACIFIC PALISADES COMMUNITY COUNCIL

On May 11, 2017, PPCC moved to unanimously support the formation of a Dog Park Working Group, with the following motion as reflected in the minutes:

New Business

11.1. Maryam moved to support Councilmember Bonin's motion to form a Pacific Palisades Dog Park Working Group & support PPPAB formation of such working group.

Motion to support Pacific Palisades Park Advisory Board on the formation of a Dog Park Working Group, in keeping with the Motion by Council Member Bonin instructing Department of Recreation and Parks to work with CD11 to establish a community-based Pacific Palisades Dog Park Working Group, in order to assess potential locations, identify potential funding sources, and conduct community outreach for the creation of a dog park.

Gil Dembo seconded the motion. The motion passed unanimously.

This move is in response to a City Council Motion by Councilmember Mike Bonin on January 8, 2017, which passed, asking for the Department of Recreation and Parks to work with CD11 to establish a community-based Pacific Palisades Dog Park Working Group to accomplish what is restated in our motion.
