REP LIEU ANNOUNCES LOS ANGELES DISTRICT OFFICE MOVE TO CORINTH AVE

LOS ANGELES – Today, Congressman Ted W. Lieu announced that his Los Angeles district office has moved. Constituents are welcome to visit our new district office at the following address:

1645 Corinth Ave., Suite 101

Los Angeles, CA 90025

“I’m thrilled to announce that we moved our Los Angeles district office! From our new location, we look forward to continuing to provide constituents with a high quality of service and support,” Rep. Ted Lieu said. “We’re now located in the same building as Councilmember Bonin and Supervisor Kuehl, which means our neighbors can engage with local officials efficiently. Our new office has ample free parking, is right off the 405 and is accessible on several bus lines. Additionally, this office is a short distance from the West Los Angeles VA campus. With this move, we wanted to make it even easier for constituents to visit, so please stop by and say hello!”

In addition to Congressman Lieu’s office, this building hosts Councilmember Mike Bonin’s Office, County Supervisor Sheila Kuehl’s office and some additional city agencies. Centrally located, the Congressman’s new district office is next to the 405 freeway, along multiple bus lines and blocks away from the West Los Angeles VA Campus.

Congressman Lieu’s District Office phone number is unchanged: (323) 651-1040

Congressman Lieu’s appointment-only Manhattan Beach office, as well as his DC office, are not impacted by this move.
