

## **Motion Supporting Ban on Sale of Flavored Tobacco Products Used in Vaping**

Referencing Council File 18-1104, Pacific Palisades Community Council supports the findings of the City Attorney regarding vaping products, as expressed in the September 18, 2019 Report regarding "Policy Options for Banning or Restricting the Sale of Flavored Tobacco Products to Youth," and opposes a carve-out for menthol products as well as hookah.

In addition, Pacific Palisades Community Council supports proposed SB 793 (Hill), which would ban the sale of all flavored tobacco products statewide, without exception.
