Dear Ms. Martin:

I request that you put me on the notice list for any Coastal Development Permit applications, hearings, and determinations for projects on Will Rogers State Beach and the parking lots used for that beach, in Pacific Palisades, in the City of Los Angeles.

Under Los Angeles Municipal Code section 12.20.2.1 E.1, a person may request to be on the mailing list for a particular coastal development or for all coastal decisions within the Coastal Zone. If your system for notification does not allow you to limit your notices to me to just those relating to Will Rogers State Beach, please put me on the list to be notified of all applications, hearings, and determinations for all the City's coastal decisions.

Please call me at the number listed below if you have any questions about this request.

Sincerely,

A handwritten signature in black ink that reads "Dean Wallraff". The signature is fluid and cursive, with the first name "Dean" and last name "Wallraff" clearly legible.
