Re: Council File 14-1057-S9 (Buscaino)/assigned to HPC; SUPPORT motion and proposed ordinance

Hon. Councilmembers:

Pacific Palisades Community Council (PPCC) has been the most broad-based community organization and voice of Pacific Palisades since 1973.

At the regularly scheduled PPCC Board meeting on November 18, 2021, after review and discussion, the PPCC Board unanimously passed a motion to support CF 14-1057-S9 (Buscaino).

We believe that the proposed ordinance is a reasonable and necessary measure which allows the City of Los Angeles “to better regulate vehicle dwelling to prevent an over-concentration in any single community and ensure those living in their vehicles are connected to services and are input into the Coordinated Entry System - the first step on the path to housing.”

PPCC respectfully requests that the HPC schedule this motion for hearing at the earliest opportunity and further urges all members to vote Yes on the motion.

Sincerely,

David Card
