PFC MISSION STATEMENT

Enhance and sustain the health and beauty of the Pacific Palisades urban forest for future generations by facilitating the planting of appropriate trees and the caring for our existing trees;

Educate our community about the economic, environmental, health, social, emotional and aesthetic benefits of the trees that comprise our urban forest;

Protect the urban forest from unnecessary removals by better management, planning and enforcement, and honor the history of trees in the community; and

Establish a replicable model of a community urban forest task force for Pacific Palisades in partnership with the City of Los Angeles.
