

PACIFIC PALISADES COMMUNITY COUNCIL

LETTER OF COMMENDATION: LAPD CAPTAIN III, CRAIG HEREDIA

Los Angeles Police Department
100 W. 1st Street,
Los Angeles, CA 90021
Chief, Michel Moore
Captain, Craig Heredia

July 7, 2023

I am writing to commend the promotion of LAPD Captain Craig Heredia to the Hollywood Command.

The leadership and board of the Pacific Palisades Community Council (PPCC) worked with Captain Heredia over the course of his time serving as Captain III at the West LA Command. We very much appreciated his ability to interface with us quickly, learn our concerns, and assure us that his department would address them.

While he was at West LA a short time, we were impressed with his mastery of the nuances that impact our community and his willingness to learn more from the organizations and individuals that have concerned themselves with the public safety of Pacific Palisades and its particular challenges.

While we are sad to see him leave the West LA Command, we support his promotion to Hollywood Division and are confident he will continue to be an asset to LAPD, and serve the people of Los Angeles well.

Sincerely,

Maryam Zar
President, Pacific Palisades Community Council (PPCC)
