

WRAC-recommended motions: January 25, 2024
re Vehicle Dwelling / Parking

1) Pacific Palisades Community Council supports CF 23-0914 (Park), which calls for recommendations for a citywide program to designate streets where RVs/oversize vehicles can safely park with access to services, including housing navigation, portable restrooms, automotive repair and septic tank disposal, and would also restrict RV parking in residential areas, commercial corridors and other sensitive areas.

2) Pacific Palisades Community Council requests that the restriction in LAMC Sec. 41.18 on camping near sensitive uses be defined to include dwelling in vehicles of all sizes as well as all forms of camping within 500 feet of sensitive uses, including libraries, parks, schools and day-care centers, and that Councilwoman Park bring a motion in City Council to amend LAMC 41.18 for this purpose.
