

PPCC Motion re Banning E-Bikes on Sidewalks – June 26, 2025
(modified version of WRAC-recommended Motion)

"Pacific Palisades Community Council (PPCC), a member of the Westside Regional Alliance of Councils (WRAC), supports banning all classes of e-bicycles (e-bikes) from riding on a sidewalk in the City of Los Angeles, to address serious public safety concerns and reports of rising accidents, injuries and deaths from collisions between e-bikes and pedestrians.

"PPCC also supports enhanced enforcement of age limits for riders of e-bikes, and further supports amendment of LAMC Section 56.15 to accomplish these objectives."
