

The CMHO Board has planned a great Town Hall for you, this coming **Sunday, July 20 from 11am to 2 pm**. Food and beverages will be provided. Here are highlights.

Traci Park Council Member CD 11 and **Ben Allen**, State Senator District 24 will be joining us. Traci Park, Ben Allen and Bart Young will address one method each to fund infrastructure improvement. It's important that we all understand the different proposals/options, how they help the community and affect residents. **David Barrett**, Executive Director & Commander of MysafeLA.org will share how you can make your home fire safe. Finally, **Rico Jaeggi**, a representative from BuildCover a builder of fire-resistant homes will share their strategy.
