Pacific Palisades Community Council Now Taking Applications for Alternate Area & At-large Representative Positions

(Pacific Palisades, CA – August 20, 2026) — Pacific Palisades Community Council (PPCC) is pleased to announce the opportunity for residents and other eligible persons in Pacific Palisades to apply to become an **alternate PPCC Area or At-large representative** in 2026-2028.

There are eight Area representative positions and one At-large position on the PPCC Board of Directors. The primary representatives are elected by the community, while the alternate representatives must apply and are elected by the Board. Up to two alternate representatives (1st and 2nd alternates) will be chosen for each seat. The alternates as well as the primary representatives serve a two-year term, beginning in October 2026. Alternate representatives are encouraged to attend meetings and to participate in the discussion of issues, but do not vote unless the primary representative is absent.

Applicants for alternate Area representative must live within the specified boundaries of the area for which they are applying (detailed at <https://pacpalicc.org/index.php/area-maps/>). Applicants for alternate At-large representative must either live, own property or operate a business within Pacific Palisades.

For this purpose, persons applying for an Area alternate position, whose principal residence address at the time of the Palisades Fire was in the Area for which they are applying, and have either returned to live at that address, or have moved away temporarily and intend to return to live at their principal address in the Area in which they are applying, will be considered residents of that Area.

Similarly, persons applying for the At-large alternate position based on residence, who have moved away temporarily but intend to return to live at their principal address in Pacific Palisades, will be considered residents of Pacific Palisades. Persons who operated a business that was lost during the Palisades Fire, but who intend to return to operate their business at an address in Pacific Palisades, will be considered business operators in Pacific Palisades and are eligible to apply for the At-large position, as are property owners in Pacific Palisades (whether or not they are residents).

All interested parties must submit a Statement of any length indicating which position they are applying for (Area or At-large, 1st or 2nd alternate, or both; and you may apply for both Area and At-large alternate positions). The Statement of each Area alternate applicant shall include the number of years residing in Pacific Palisades, the number of years as a resident of the Area, the number of years at the current address and that address, and/or the applicant's intent to return to that address (if applicable). The Statement of each At-large alternate applicant shall include the number of years either residing in Pacific Palisades or running a business or owning property in Pacific Palisades, the applicant's current residence, business or property address, and/or the applicant's intent to return to that address (if applicable).

All applicants' Statements shall include the position on issues the applicant believes are of importance to the community or the applicant's Area. The Statement may also include a few biographical facts including any skills that the applicant would bring to PPCC.

Candidates for the positions will be reviewed and nominated by the PPCC "Three Chairs" Committee (consisting of three former PPCC Chairs/Presidents), and then elected by the Board at an upcoming PPCC meeting.
